# Train at the Justine Henin Academy to reach out your full potential

---

Justine Henin Academy aims to create a human and reassuring environment that allows each player to surpass herself/himself. Justine Henin Academy focuses on the personal development of each player in order to reach his/her sporting results.

- Justine Henin's personal and work values imbedded in sports pedagogy, on and off the court.
- A unique pedagogy that has proved it's worth with players like Elina Svitolina, Dayana Yastremska and Clara Tauson
- A rigorous selection of coaches (graduates and/or with extensive experience) and sport experts (nutrition, mental, ...)
- An individualized approach in a collective setting :
  - An individualized approach: training and competition program based on the needs of each player
  - Collective setting: training in small groups (3 players maximum per court)
- A complete, central and easily accessible infrastructure
- A "home-like" residence supervised by a supervisor-educator
