

TENNIS & ACADEMICS PROGRAM

The Tennis & Academics program was designed for players who want to benefit of an interesting tennis and physical training combined to an academic program. Players are taking part in 10 hours weekly tennis and fitness sessions. In the same times players are taking part to the weekly academics program in our school partner (St. John's International School).

The Tennis & Academics program is available from September to June but the places for it are limited.

JUSTINE HENIN TENNIS ACADEMY

The Justine Henin Academy welcomes students who have a serious project for personal development and sports. They should be totally committed and be ready to work hard to achieve their goals.

The Tennis & Academics program, boarding and non-boarding are proposed from 1st September to 30th June with optional possibility to extend during the vacations.

Our players are aged from 12 to 18. Tennis and Physical coaches are working together, with individualized programs. The academy also organizes tour travelling with coaches all around the world to play international tournaments (Tennis Europe 14, Tennis Europe 16, ITF Juniors).

JUSTINEHENIN ACADEMY

ST. JOHN'S INTERNATIONAL SCHOOL

ST. JOHN'S INTERNATIONAL SCHOOL is located at 30 km from the Justine Henin Tennis Academy (26 min. by car). Transport between the school and the academy will not be arranged by the Justine Henin Academy. St. John's international school provides an English language education.

PHILOSOPHY

More than 700 students from 55 countries attend St. John's in the Pre-K through grade 12 structure. They engage enthusiastically with their teacher mentors on a curriculum based on the St. John's Paradigm. More than 80% of the graduates achieve the International Baccalaureate (IB) diploma with excellent results. Based on the tradition of excellent IB Diploma results and exceptional college placements, it is evident that St. John's graduates are well-placed to live our vision of impacting our world.

Co-curricular programs are a vital part of the St. John's educational experience. Our arts and athletics activities are consistently regarded among the finest in Europe. All St. John's students have the opportunity to develop their creative abilities in the art studio as well as in the superb Performing Arts Center, which includes a 400-seat theatre and reception area, dance studio, choir, orchestra, music and practice rooms. For the budding athletes, the St. John's Lions sports teams involve students from 6th grade in more than 12 sports, with the high school teams consistently well-placed in the International School Sports Tournament (ISSTs) at the end of each season. There are further opportunities for students in Model United Nations (MUN), Model NATO, the International Awards program, maths and science competitions, economics programs, clubs, field trips and so much more. In this way, the students learn to engage, grow, help and serve others.
