About Kiddy Classes

Who we are

Our Brussels-based centre has welcome young people since 1980.

Our 4 main activities are:

- School-term classes
- School-holiday classes
- Tailor-made private courses
- Extracurricular classes in schools

Our small-scale school collaborates with a skilled, experienced and dedicated team of teachers.

We prioritise being attentive to your needs and offering you our expertise in language education.

Our mission

Provide all our know-how in initiating and enhancing language skills of young people aged 3 to 18 years old.

Every year, we organise extracurricular language activities in numerous schools and organisations.

We greatly respect your learning objectives, needs and internal organisation, for your school is special.

Why should you choose us?

Our service quality

- ▶ We have over 40 years of experience teaching young people second languages.
- ▶ We cater to your needs and your pupils throughout your course.
- ▶ We are flexible, dynamic, and always at your disposal.

Some figures

- ▶ About 900 students attend our school-term courses in Brussels yearly.
- ▶ About 3,000 learners attend our intensiver holiday courses in Belgium yearly.
- ▶ Over 85 schools have already entrusted us with their extracurricular activities.

Our pedagogy

Our teachers

Our teachers are all native speakers or C2-level equivalent level and hold higher-education degrees.

We also select them for their excellent interpersonal skills and edutaining teaching methods.

Our educational adviser provides all our teachers with regular training and updates.

We plan regular pedagogical follow-ups at different critical stages of each course.

Our effective & lively method

Our method relies on linguistic immersion through fun and interactive classes.

The young learner naturally and spontaneously acquires a foreign language like a mother tongue.

We pay great attention to the quality of our courses.

Each course is adapted to each learner's age and level, respecting their learning pace.
